A screenshot of a web browser displaying the Autodesk Desktop Connector website. The browser's address bar shows the URL "http://info.bim360.autodesk.com/desktop-connector". The website has a blue header with the Autodesk BIM 360 Docs logo and a "TOP 17 PRODUCTS" badge. The main content area features a blue background with the text "Get The Autodesk Desktop Connector" and "The convenience of your Windows desktop with the flexibility of the cloud." Below this is an image of a Windows File Explorer window showing a folder structure. To the right is a "Download Now!" section with an email input field containing "dta@reproproducts.com" and an orange "GET THE DESKTOP CONNECTOR" button. Below the button is a small asterisked note: "* Use of the Desktop Connector for BIM 360 is compatible with Windows OS 64-bit only. View full installation instructions." At the bottom of the page, there is a section titled "Connect your Windows desktop with your BIM 360 Docs account." followed by a list of features: "View and open files", "Upload and download documents", "Edit and delete files", and "Create project folders". The browser's taskbar is visible at the bottom, showing various application icons and the system clock at 8:27 AM.
